

## Registration/Release from Liability

Thank you for your interest in this event, which is a sponsored fundraiser of the First Unitarian Universalist Society of Middleboro (FUUSM). We intend it as a fun family event and have taken care to ensure the rules promote safety.

**Each vehicle must have a Driver and Navigator.** Additional "Clue Finders" are encouraged. Recommended maximum vehicle occupants = 4. As part of Registration each participant must be listed. If the participant is legally able to accept responsibility for his/her participation then s/he will sign the "Release"; else, his/her parent or guardian must sign. The FUUSM emphasizes the requirement that all traffic laws be adhered to and that good judgement be exercised by all to ensure the safety of participants, volunteers and the general public:

**Whereas an event termed a Road Rally ("Rally") is being offered by the FUUSM as a family event and fundraiser and whereas I or a person listed below for whom I am a parent or legal guardian will be participating in this event, on behalf of myself and my family and heirs I hereby release and hold harmless the FUUSM and any and all persons associated with it from any and all liability of any type or description including but not limited to property damage or bodily harm that may occur before, during or after my participation in any aspect of "Rally".**

### General Rules and Requirements for participation:

- Vehicle: The vehicle listed below is the one being used by me and my team. It is safe and legal to operate.
- Driver: The Driver listed below is at least 21 years of age and possesses a valid driver's license.
- Other occupants of Vehicle: Each and every participant/passenger listed below either has the legal capacity to sign "Release" or has the permission of a parent or legal guardian who is signing the release on their behalf.
- Rally rules: All traffic and other laws must be followed. **"Rally" is not a race** and does not require that any traffic or other laws be broken to successfully compete. The emphasis is on following directions and answering questions.
