

New Year Countdown

December 31st, 2021

8:00 P.M.

The talented folks at UU Middleboro are doing it again – celebrating New Year’s Eve with a virtual concert called NEW YEAR COUNTDOWN! Last year’s show, REBOOT 2020, will be revamped, revitalized, refreshed, and rejuvenated, swapping out the old and adding in the new.

An added attraction this year will be a catered dinner from Middleboro’s “Main Ingredient Restaurant” delivered to the church and ready for you to pick up on the show night between 4:00 and 6:00 PM. Andrea Priest is coordinating the dinners, so you know they will be tasty.

The concert will feature approximately 20 acts, filmed, mixed, and mastered by Stephen Larrett. Tony Soares will host the show, weaving a line of patter to tie everything together: solos, duets, trios, the Chalice Choir and ensembles. A link will be emailed to those who register enabling you to “tune in” via the web! The program will also be available for a repeat viewing at a later date.
